Daycare contract 2025

By signing this contract, you agree to the terms and conditions outlined in the Parent Handbook. This contract remains effective for the care of your child(ren) from December 1st, 2024, until December 31, 2025. If new policies are added, you will receive a copy of the new policy and will have 30 days to sign a form stating you received a copy of the new policy. Tuition will not increase during this time **unless** the care for your child increases. By signing, you also agree to pay tuition based on the payment policy discussed between you and the provider.

The first 30 days your child is in my care will be a trial period. If either party decides childcare is not working out, for any reason, care may be terminated at any time without 2 weeks' notice during the trial period. After the 30-day period, termination of this contract will be permitted at any time, for any reason, by either party with proper notice. Proper notice consists of either written or verbal notice to the provider at least two weeks before your child(ren's) last day of care. If proper notice is not given, you agree to pay one full week of tuition, even if your child does not attend daycare that week. If tuition is not paid, legal action will be taken.
